Centerville Protests Small Lots, Asks To Tear Down Old Warehouse

Centerville's chamber of commerce voted Monday to remind county officials it doesn't want city-size lots on its outskirts.

Chamber members also demanded condemnation of an empty warehouse north of the Southern Pacific tracks as a safety hazard.

Dr. Eugene Manning asked and got a resolution advising the County Planning Commission and the Supervisors that the chamber is backing lots with 7000-square-foot minimum size.

"We're not trying to be a Piedmont," Dr. Manning declared. "Just sensible. Small lots mean high taxes. The local people feel that way—aside from these cream-skimmers who want to make big profits off the working man they talk so much about."

He was referring to last week's zoning session, where some subdividers argued for 50x100-foot lots.

A second public hearing on protective zoning for Centerville will be held Monday night in the Oakland courthouse.

At Monday's luncheon, Allan Walton and Fire Commissioner Fred Rogers asked that action be taken to demolish the Garin packing shed, abandoned for the past three years. Rogers said it is a fire hazard, that children play there, and that tramps build bonfires in it.

Again, it was agreed to petition the Supervisors to have the County Building Inspector condemn the structure.

DUMPS, FOUNDRY O K NEAR NEWARK

Two garbage dumps and a foundry were tentatively approved near Newark on Monday by the County Planning Commission.

The dumps were proposed two miles south of town by Al Gamba of Niles and Pete Mazzaferri of San Leandro.

The foundry is planned on Central avenue at the Southern Pacific tracks by the American Brass & Iron Company. Formerly the firm was denied a permit to operate in San Leandro, but officials said it will employ (1) 100 men, and (2) smoke filters.

Despite warnings about a coming county anti-smog ordinance, delivered by Deputy District Attorney Richard Klippert, commissioners led by George Dugan, said they believed the disadvantages were outweighed by the "$1,000,000 investment."

Meantime, final approval of the twin garbage dumps was held over until next Monday while planning staff technicians prepare resolutions embodying safeguards to health and nostrils.

IRVINGTON MAN BELIEVED SUICIDE

Carl C. Carlson, 29, unemployed mechanic and former automobile salesman, apparently committed suicide in Irvington on April 1. His body was shipped to Kuper Funeral Home, Harlem, Mont., for services.

Carlson is survived by his parents, Mr. and Mrs. Swen Carlson of Montana, a sister, Mrs. Betty Blanchard, also of Montana, a brother and sister, Barbara, and Leo Carlson of Niles and a brother, Eddie Carlson, United States Navy. He was a veteran of World War II.

Carlson's body was found in his car on Lincoln avenue.

Sheriff's deputies reported that a garden hose, leading to the car's interior, was attached to the exhaust. A resuscitator crew from Irvington Fire Department worked for an hour in an effort to revive the victim. A Coroner's report later showed that he had been dead several hours before the body was found.

'COT GROWERS SET DEMONSTRATION

Apricot growers are invited to witness two demonstrations at Washington Township orchards on Friday, beginning at 1:30 p. m., at the Hotel Belvoir in Niles.

The orchard here is on Highway 9, across from the north underpass at the entrance to Niles' business center. Results of a five-year fight against oa root fungus will be seen.

The second location, announced by Lee Benson, farm advisor, is at Roy Clark's orchard on Driscoll road near Irvington, six-tenths of a mile west of Highway 9.

Irvington, Mission

Zoning Debated

Builders Predict 10,000 Inside Of A Year; Decision Set May 5

Portraying Irvington as a city of 10,000 within the next year, subdividers tried hard to have more of the town zoned commercial at a hearing Monday night before the Alameda County Planning Commission.

The developers wanted to have the zoning changed from a Chamber of Commerce plan which has been under consideration for a year. Several local men protested the delay they said would ensue, and asked the commission to accept the Chamber map as it stood.

Commissioners meeting in the county court house finally closed the hearing—along with one for Mission San Jose—and said they will render their decision May 5.

In both Irvington and historic Mission, most of the heat was generated by those who wanted to expand the proposed business zone.

Ted Leslie of the Stanley Davis Organization announced plans for a 77-acre shopping center (four-fifths of it in parking) on property optioned from Jack Stevenson at PG&E Road and Highway 17.

Leslie said his firm already is building more than 100 houses across the highway, and plans 3500 more on Stevenson's 670 acres "as soon as the market allows."

Stevenson added his plea not to "underestimate" the need for giant shopping centers here. Charles A. Russell einforced the arguments with word 1100 homes will soon be built south of Irvington (by Conway & Culligan and others). Dr. E. M. Grimmer asked to extend commercial zoning to the entire 14 acres he owns next to the grammar school, where he said stores and a market will be built.

But Walter Connolly, Wallace Pond, Joe Alter, L. S. Williams and Bill Humpert argued that the issue had been amply explored at a series of chamber of commerce hearings, and that the commission should proceed on rezoning the area without including the huge centers.

"We can make the changes later, as the need comes up," said Humpert. And "they're talking five years from now," asserted Connolly.

Don Colvin, of Sunnyacres Development Co., who said his firm is purchasing the land from Dr. Grimmer, declared "we concur with the opinion of the Planning Commission that Irvington will be a town of 50,000 people in 10 years, and 10,000 in one year." He said a center of 15 to 20 stores "will be adequate to our needs."

LeRoy Broun, attorney for Jack Prouty and others on Driscoll Road, argued for smaller lot sizes, saying "the existing pattern" there now was for 50x100-foot lots. And he asked commercial zoning at the corner of Cook's Road and Highway 17, where he said two service stations and a motel are planned.

Commissioner George Dugan hinted that if the hearings were re-opened to include the new suggestions, "there'll be a multitude of new proposals," and zoning would be dangerously delayed.

At the Mission San Jose hearing, held jointly with Irvington's, Roy Dean spoke for the chamber of commerce asking acceptance of a map which he said "accurately represents the wishes of the people." Dean urged larger minimum lot sizes.

L. E. Bailey said he thought zoning for Mission "premature," since location of future highways is still uncertain. And R. R. Whiteside asked the east side of Vallejo Street, next to the firehouse, be zoned commercial "as it has been for the past 150 years."

Mrs. Lois Bottenberg commented that Whiteside and Bailey "have never attended our meetings."

The commissioners told their technical staff to prepare analyses of the statements for study before the May 5 decision.

FRED A. MULLER, NEWARK SCHOOL TRUSTEE, PASSES

Services were held Monday for Fred A. Muller, resident of 625 Cherry Road, who died at his home suddenly on April 1.

He was the husband of Mrs. Evangeline Muller, father of Mrs. William Robinson of Toledo, Ohio and Frederick A. Muller, Jr. of Davis, California. He also leaves five grandchildren and one great-grand child.

Muller was a native of Michigan and a member of Knights of Pythias Lodge 170, clerk of school board at Newark Grammar School, honorary member of Newark Firemen's Association and a member of the Men's Council of Newark Presbyterian Church.

Services were held at Chapel of the Palms, Centerville, with Rev. Martin Lee Tonner officiating. Closing services were at Mountain View Crematorium, Oakland.

Charles B. Snow, Newark attorney, this week was appointed by Superintendent of Schools Vaughn Seidel, to the board of trustees of the Newark school district, to fill Muller's unexpired term.

NILES SPORTSMEN SHOOT ON SUNDAY

The Niles Sportsmen's Club will hold its ham-and-bacon shoot next Sunday at their range on the Niles-Mission Road.

Shooting runs from 9 a.m. to 5 p.m., says Joe Pine, chairman. Refreshments and ammunition are available.

Awards will be given for trap, running and stationary targets, in singles and competition. Admission is free and a gate prize drawing will be held at 4:30 p.m.

Pine said if it rains the shoot will be held the following Sunday.

The Niles Sportsmen currently are taking part in the Junior Hunter Safety program, and are holding classes to qualify hunters under 16 for their licenses.

Max Baer Here for Men's Club

Former heavyweight champ Max Baer will headline the Washington Township Men's Club spring program April 22 at 6:30 p. m. at International Kitchen, President Ray Truscott announced today.

Reservation cards for the dinner will be out shortly, according to Bill Helm, program chairman.

TAX CUT MEANS PHONE SAVINGS

Tax cuts on telephone calls, voted recently by Congress, will save township phone users several thousand dollars a month, it was estimated today by S. D. Smith, local district manager for the Pacific Telephone Company.

Smith said, for example, his company estimates Niles subscribers will save $731 per month, those in Centerville $546 and those in Alvarado $187.

"Sales" taxes on all phone service will drop from 15 and 25 to 10 per cent, and will be reflected in bills starting April 1, Smith explained. Largest reductions will be on long-distance calls, now taxed at 25 per cent.

Similarly, two-party residence customers, who have been paying $4.31 a month will pay 18 cents less, and business subscribers who have paid $8.91 a month in Niles and Centerville will save 38 cents.

Business firms in Alvarado, formerly billed $11.21, will save 48 cents.

Religious Film for Centerville

Acclaimed by clergy and laymen for its picture of brotherly love, the Cinecolor production of the famed Lawton Easter Pageant comes next Wednesday to the Center Theater for a two-day engagement.

Entitled "The Prince of Peace," the film depicts the life of Jesus, filmed against the rugged grandeurs of the Wichita Mountains north of Lawton, Ok., home of America's version of the Passion Play.

Manager Russ Osborn has invited clergymen of the township to a pre-showing run of "The Prince of Peace" earlier in the week.

The non-sectarian religious film will run three times daily on Wednesday and Thursday, at 2 p. m. and at 7 and 9 p. m.

G. A. WALKER DIES IN IRVINGTON

George A. Walker, 48, personnel manager and safety engineer for an Oakland food processing firm, died suddenly at his home in Irvington March 30.

He is survived by his wife, Helen; two sons, Stephen, 10, and Lonnie, 3, of 147 Second st.; a sister, Mrs. O. J. Miller, and his mother, Mrs. Nellie Walker, both of Oakland. He was a member of Euucalyptus Lodge of Masons at Hayward, and had resided here for two and a half years. Masonic services were conducted at the Clarence M. Cooper Funeral Parlor last Friday.

WINNERS—Future Farmers from Washington Hi grin at regional awards granted last week at ceremonies in International Kitchen here, while Principal J. V. Goold and Instructor John Raap look on. Winning contestants are John Adams, Jim Murphy, Jess Bettencourt and Bob Avila.—

6 HELD IN LOOTING OF MODEL HOMES HERE

Six suspects—four men and two women—are held in the burglaries of a half-dozen model homes in the Centerville area.

They were arrested after deputies caught two of the men in the Glenmoor Tract in possession of furniture taken from a house at 249 Blacow Road.

Booked for investigation of burglary are Lloyd Baker, 58; his wife Edna, 49; their son Lloyd Jr., 29; Mrs. Natalie Paul, 45; Robert Cornwall, 28; and Junior Forrester, 24; all of Oakland.

The arrests late Monday cleared up a series of model-home burglaries here, in Concord, in San Jose and in Solano County, according to Sheriff's Capt. R. E. Condon.

Baker Jr. and Cornwall were nabbed in the Glenmoor Tract by Deputies Donald Cates and Robert Swaynie. Cornwall was arrested as he sat in a car full of stolen articles, and Baker Jr. was caught after trying to flee the officers in the Glenmoor home. They implicated the others.

At Mrs. Baker's house officers recovered a truckload of rugs, tables, chairs, appliances, beds, pictures, ornaments and television sets.

Niles Zoning Passes Court Test

Niles' chamber of commerce learned Tuesday its first protective zoning has passed a court test, and promptly moved to reduce lot sizes in the area—Adobe Acres.

Last Thursday Superior Judge Chris Fox ruled against protests by Attorney J. C. Houlihan which would have invalidated residential zoning in the tract west of town. Houlihan, representing a cement firm, said he would appeal the decision.

On Tuesday, George Roeding Jr., owner of the California Nursery, said subdividers who have optioned 32 acres from him west of Rock Avenue, in Adobe Acres, want minimum lot sizes cut from 10,000 to 8000 square feet so they can get four houses on an acre instead of three.

Without dissent, Roeding's written request was approved, and a letter supporting it sent to the Planning Commission.

EASTER EGG HUNT SLATED APRIL 17

Plans are being completed for a township-wide Easter egg hunt sponsored by the 20-30 Club and assisted by the Township Sportsmen Club.

The latter organization has donated the use of their grounds at Highway 9 and Durham road, south of Mission San Jose, and the 20-30-ians are preparing the colored eggs, prizes, games and cartoon movies.

All youngsters in the township between the ages of 5 and 9 years are invited to participate.

Parents are asked to accompany their children for the two-hour event, beginning 1 p. m. Saturday, April 17. Several thousand eggs will be hidden, and the lucky ones who find the golden eggs will be awarded a special prize, from the many being donated by township merchants.

VFW Post, Auxiliary's Joint Installation

Joint installation of officers will be held by Joseph and Stanley Bernardo VFW Post No. 7445 and the Ladies' Auxiliary at 8 p.m. on Saturday, April 10 at Veteran's Memorial Building in Niles.

Ed McNemar will be installed as post commander and Mrs. Janice Roethlin as auxiliary president.

Fourteenth District Commander Ernest E. Webb of Martinez Post No. 1351 will install post officers assisted by Sgt. Alfred John Foster of San Leandro Post No. 2509.

Officers of the women's auxiliary will be installed by Mrs. Gertrude Brown Smith of Oakland, past department president.

Additional officers to be installed will be: for the Post, Joseph (Sparky) Lewis, senior vice-commander; Vernon Mendoza, junior vice-commander; Martin Flores, chaplain; Cliff Rogers, quartermaster; Victor Hernandez, post advocate; Edwin Freitas, surgeon; Walter Roethlin, trustee, three years; E. M. Stevenson, trustee, two years; Clarence Dutra, trustee, one year; Dave Souza, adjutant.

Auxiliary officers: Violet Kleine, senior vice-president; Lena Caldiera, junior vice-president; Louise Rothgeb, treasurer; Madge Bernardo, chaplain; Eva Mayer, conductress; Elaine Lewis, guard; Elaine Bushnell, trustee, three years; Florence Porter, trustee, two years; Eve Newton, trustee, one year; Virginia Kearley, secretary.

Choir Cantata

The Choir of St. James' Episcopal Church under the direction of Harold Melling of Oakland will sing the cantata "Eastertide" by Daniel Pratheroe at the Church Good Friday, April 16 at 8 p.m. The public is cordially invited.

The St. James' Guild is having a Food Sale Saturday, April 10, at 10 a.m. at the Centerville Food Market.

2 CLASSES SET IN SOFTBALL LEAGUE; ENTRIES SOUGHT

Two separate softball leagues will be operated here this year, the Township Softball Association announced this week.

Following a directors' meeting, the association president, Pete Nunes, explained:

1. The Class A League will consist of local teams, plus any outside club which wants to take part.

2. The Class B League will be made up of local teams exclusively.

Nunes said he hopes to start league play in about six weeks. He urged prospects to get in touch with him—or with the other directors immediately.

Directors, in addition to Nunes, are: Art Belshaw, vice president; Ray Bettencourt, secretary - treasurer; Andrew Costa and Frank Mayer.

Nunes hopes for a larger tournout of teams than last year when six competed for the pennant eventually won by the VFW 10 from Irvington.

Sanitary District Merger Indorsed

Consolidation of the Decoto and Union Sanitary Districts, under consideration for several years, was recommended by Decoto commissioners Monday night, George Smith, president, said today.

The proposed merger will be submitted to the voters at a special election. The combined districts would cover 12,000 acres in Decoto, Niles, Centerville and Newark with an assessed valuation of $14,500,000.

Anybody Belong To A Bike?

Bikes sometimes are hard to find — and in Washington Township maybe there's a reason.

The sheriff's substation here has more than a dozen bicycles, many in good condition, which have been recovered by deputies from spots where they were abandoned—probably after being stolen—in the past two to three years.

The bikes are being held for their owners. But according to Capt. R. E. Condon, if they aren't claimed in the next few weeks, they will be moved to Santa Rita Honor Farm for storage.

Alameda Heads Robey Campaign

The campaign headquarters of Ed Robey for Assemblyman from the Thirteenth Assembly District, now being vacated by Francis Dunn, announced today that A. E. "Tony" Alameda, Washington Township business and civic leader, would head Robey's campaign in Washington Township.

Accepting the leadership in this area, Alameda stated:

"I have known Ed Robey for a number of years and honestly feel that he is the best qualified candidate to represent this district in the State Legislature."

Robey has been a businessman in Southern Alameda County for over 17 years. He is married and has five children. Robey is a veteran of World War II and holds a bachelor of laws degree from Lincoln University.

Robey was born and reared on a farm and worked as a farm hand in Humbolt County in his youth. Two years ago, former Gov. Earl Warren appointed Ed Robey a director of the First Agriculture District Association to fill out the unnexpired term of Ernest Wente of Livermore. Robey has filed on both Republican and Democratic tickets.

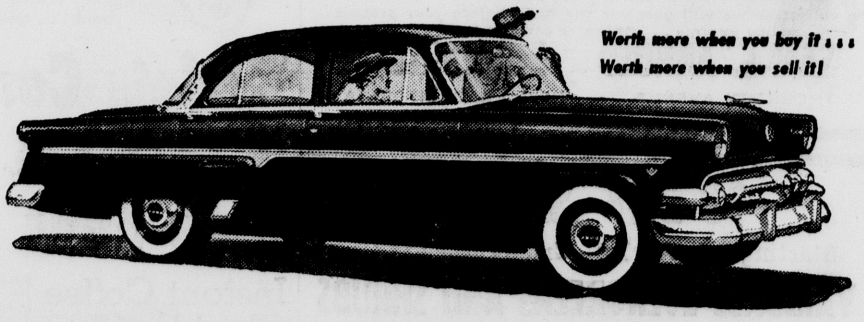
Why fine car buyers are swinging to Ford



A small price tag buys them one of America's truly fine cars. And here's how:

In the new '54 Ford, you get the same modern type of overhead-valve engine . . . the same road-hugging ride . . . the careful interior decorating . . . the same quality construction . . . and the same optional* power assists you'd expect to find in cars costing *hundreds* of dollars more. So why *pay* more? This is the question smart car buyers are asking themselves. And that is why you'll often find *two* Fords proudly parked in driveways where there used to be but *one* costly car!
*at extra cost

Take power: Only Ford, among all low-priced cars, offers you a Y-block V-8 engine. Only Ford, in its field, offers an I-block Six. And both of these new deep-block engines are the most modern in the industry . . . with overhead valves, low-friction design, high-turbulence combustion chambers, and deep-block construction.

Take ride: Ford's new Ball-Joint Front Suspension is the greatest advance in chassis design in 20 years. Your Ford not only steers easier, but will keep that "new car feel" far longer. And so many points of wear have been eliminated you have only 4 lubrication points in the entire front suspension system.

Take power assists*: Fordomatic Drive is the only "automatic" in its field to combine the smoothness of a fluid torque converter and the "Go" of an automatic intermediate gear. And you can have Ford Master-Guide Power Steering, Swift Sure Power Brakes, power lifts on *all four* side windows and a 4-Way Power Seat.

Take a Test Drive . . . and you'll want to drive it home! FORD

WHY MERGE? AND WHAT NEXT?

Since last week's announcement that the Township's weekly newspapers would combine forces, friends have asked two questions which show concern about the move, and which we will answer here.

First, they ask, why was a consolidation necessary? Then they want to know if all the papers will be combined into one.

Owners of both the publishing firms involved felt the merger was necessary for two reasons: economy of operation and better service to the communities of this Township.

Where two rival concerns in the same area are operating under the same policy—in this case protion of the welfare of Washington Township—there's very little to keep them apart. Drawing them together is the need to cut out duplication of work, a very expensive commodity nowadays. So you might say the savings angle is a very important one.

Secondly, publishers in a growing area are constantly subject to the threat of outside competition. In order to meet this, they must be alert to give local readers and advertisers better service for less money. Joining forces, the papers can pool resources to give better service, and since they are eliminating double work, they can do it cheaper.

Answering the second question—should all the papers now be combined into one—the answer is no. Although we are an area, with an area's problems, the towns within that area have kept their strong local feelings too. Each is important enough to have its town newspaper, even though—for economic reasons—that paper is published from a central location. Town columns can be read, individual town news featured, and advertisers who want to reach just the folks nearby can do so.

Some day when the Township's towns really join hands, then the door is open for the small papers to become a big-town paper—perhaps a single one.

So much for the questions. Now for some facts and a promise:

Although Washington Township, this garden home of ours, is on the threshold of a great development, perhaps today it doesn't justify the risk and expense of a new plant for its newspapers. So in a sense you might say the owners of the Township Register and the Washington News are sticking their necks out to build one.

Somebody may chop our necks off. But if they do, it won't be because your local publishers lacked faith in Washington Township or its inhabitants.

If you're considering the purchase of a live pet for your child for Easter, why not just get a stuffed one, and save some poor animal's life?

His parents almost had their car into the garage for repairs last week when a Washington Hi student kept knocking on the side with his fist as they drove along. They found out it was an April Fool joke.

Here I am back on the coffee subject, but I wanted to tell you a Centerville woman who entertains a lot makes her coffee go farther by using the drip grounds twice, pouring half a pot of boiling water through the grounds when the first is gone. No one's the wiser!

While visiting a township home yesterday I heard an angry tirade against a township school, a teacher and its principal. Yet neither of the women there knew their school board members, nor had ever attended a PTA meeting.

Spring vacation would be a good time to have the family help you clean up that junk you all have saved, from funny books to worn-out shoes. Much less fire hazard if you get rid of the clutter.

I've found that strips cut of innertubing make wonderful king-size rubber bands to hold together used lunch paper bags. Our youngest was using them for sling shots, until we had to pay for a window pane.

Did you know that meadowlarks here sing a different song than they do in the East? Neither did I, until visitors noticed the difference.

Let's hope Washington Township will be one of the places used for the polio tests. And even more important, let's hope that the polio preventative will soon be found.

While on the subject of illness, the next time your child is not well, you might find as I did that a gold fish or a bird in a cage are a great help in passing time while not tiring the child too much.

A new gimmick from the kids. I overheard one 10-year-old tell another, "You better be nice or I'll get mad and disappear into the fourth dimension!" Science fiction influence?

Square Dance Class for Beginners

A class for beginners in American square and round dancing will start on Tuesday, April 20, at 8 p. m., in the auditorium of the Centerville Elementary School, located on South Main street in Centerville.

Those interested are invited to sign up on that evening or on any of the three succeeding Tuesdays, including May 11.

Ronnie Griffith, well-known East Bay caller, who is now residing in Centerville, will be the instructor, assisted by his wife, Dorothy.

Farm and Home Group

Mrs. Maryetta Holeman gave a talk on "Storage Equipment" at the March 26 meeting of the Niles Farm and Home Demonstration Group held at the Decoto home of Mrs. Bernard Joseph.

TOWNSHIP TOPICS

By HARRIET GITTINGS

THIS WEEK'S QUESTION . . . **What is your opinion of the statement "cheap" houses on 50x100-foot lots" would not be welcome in Centerville? Would you like to see such a sub-division built in your town?**

Every community has to have both. You can't expect to have just big, beautiful homes in town. **Mrs. Neil Sheffield, 2377 Mayhews Landing rd., Newark.**

I think if they are going to build a house they should build a nice one. **Mrs. Ola Parrott, Route 1, Irvington.**

Smith-Peters is building about 700 of them, and they seem to be selling. I'd not have more than a 50x100-foot lot, it's too much to take care of. **W. A. Johnson, 2561 Noel st., Newark.**

It is only fair that they build both. It should be up to the buyer. **K. L. Moore, 151 Pine st., Centerville.**

If they were all small, I don't think I'd like to see them built. **Ralph Leighton, 577 Ash, Newark.**

There should be more homes built between $8000 and $10,000. The majority of people can't pay $15,000 or more for a house. **Henry Button, Warm Springs.**

I'm definitely opposed to the small lots. **Robert Kithcart, 126 Norris rd., Centerville.**

I think they add to the population. **Mrs. S. Guerrero, Box 272, Newark.**

I've looked at them, and I don't like the small houses on the small lots. **Mrs. Emma Faraia, Niles.**

I think that more houses on smaller lots would be better for the towns. **Walter Kempton, P. O. Box 62, Niles.**

If there is a need for them, I'd say yes. **L. R. Wilson, general delivery, Newark.**

Everybody doesn't have the money for the bigger houses. It would mean some people couldn't get homes. **Mrs. Charles Beebe, Route 1, Box 178, Niles.**

I think there is a drastic need for cheaper homes, though not shoddy construction. **Mrs. W. J. Smith, 403 Central, Centerville.**

Corpus Christi Church Benefit Party Sunday

A card party for the benefit of the building fund of Corpus Christi Church in Niles, and jointly sponsored by the Holy Name Society and the Catholic Women's Guild will be held in the Newark Pavilion on Sunday afternoon, April 11, at 2 o'clock.

Heading committees in charge of arrangements are Charles Frick, Ed Harm, John Cattaneo, Caeser DiGiulio, John Turner, Joe Janeiro, and Mesdames Fred Dias, Pat Robinson, Rose Vieux, Joe Andrade, Flora Silva and Aileen Smith.

Joaquin Estreveo will be in charge of the card game.

prizes is already on hand and a

A large assortment of players capacity crowd is expected. The committee wishes to thank the merchants of Niles and all others who donated prizes for this affair.

S. P. Starts 'Thru' Chair Car to L. A.

Southern Pacific has inaugurated through chair car service on the "Coast Daylight" between Oakland and Los Angeles, according to Roy de Bolt, agent for the railroad in Niles.

Heretofore, passengers from Oakland going to Los Angeles via the railroad's "Coast Daylight" have detrained at San Jose to board the streamliner from San Francisco. The new service provides "Daylight" chair cars out of Oakland, which are placed on the "Coast Daylight" at San Jose, avoiding passengers having to change trains, De Bolt explained.

The same service will apply on the northbound run, with Oakland chair cars being cut out of the streamliner at San Jose and placed in the Coast Daylight connection.

Southbound departure from Oakland, First and Broadway, remains at 7:38 a. m., as does the northbound arrival time at 6:02 p. m.

Old Fort Scott in San Francisco was designed after Fort Sumter.
